A., writes, "I am a great sufferer from rheumatism, all over from head to foot, and Chamberlain's Pain Balm is the only thing that will relieve the pain." For sale by Lyne Bros., Crab Orchard Ky.

Resolutions Of Respect.

On the first day of May, 1905, our comrade, Thomas J. Hatcher, of M. D. Logan Camp No. 1336, was suddenly stricken by death in the 65th year of his age.

Comrade Hatcher was a native of North Carolina and during his early manhood, in common with thousands of young men of the South, he gave his heart and his hand and offered his life as a sacrifice for the land he loved so well.

He participated, fighting gallantly under the celebrated Stonewall Jackson in all of the important battles of the armies of Virginia and was in one of the regiments composing the command which came so near capturing Little Round Top at the great battle of Gettysburg.

At one time he was offered the captaincy of his company but declined the position and continued to fight in the ranks until the close of the war, surrendering with Gen. Lee's army at Appomattox.

He was always faithful and true to the cause, courageous and ready at all times.

After the close of the war he settled first in Somerset, Ky., thence removed to Monticello, from there to Stanford and had been residing in Lancaster for about 10 years.

Comrade Hatcher was a quiet, modest citizen of great industry, finally dying at his post of duty and was well beliked by our citizens. Our deepest sympathy is extended to the family of Comrade Hatcher.

Resolved that a copy of these resolutions be published in the Central Record of Lancaster, the INTERIOR JOURNAL of Stanford, and that a copy be delivered to the family of the deceased and that same be spread at large on the records of our camp. Joseph A. Arnold, commander; R. B. Denton, adjutant. By J. W. Hamilton, secretary.

A Good Family Liniment.

Every family should be supplied with a bottle of Chamberlain's Pain Balm. For cuts, bruises, burns, scalds and similar injuries, which are of frequent occurrence, there is nothing so good. It soothes the wound and not only gives instant relief from pain, but causes the parts to heal in about one-third the time required by the usual treatment. As it is an antiseptic all danger from blood-poisoning is avoided.—Sold by Lyne Bros., Crab Orchard Ky.

Despairing Mother.—He hasn't the slightest ear for poetry or good literature, and he has no idea at all of what real life is like.

Friend—He'll make a bully magazine editor.

While a billous attack is decidedly unpleasant it is quickly over when Chamberlain's Stomach and Liver Tablets are used. For sale by Lyne Bros., Crab Orchard, Ky.
